WELCOME MESSAGE

It is with great pleasure that I welcome all riders, volunteers, visitors & locals to the 2022 Goldfields Cyclclassic & Community Challenge on behalf of the Eastern Goldfields Cycle Club, in this our 96th year of riding & racing around the Goldfields region.

The EGCC acknowledges the land on which we ride and meet, and pay our respects to the elders past, present and emerging, and to all people who call this beautiful country home. Thank you to Danielle Champion for her design contribution to the Goldfields Cyclclassic branding for 2022.

This year we celebrate the running of the 93rd Chas Egan Memorial - St Barbara Menzies Classic; a race with a long & storied history of attracting riders from around the nation to see if they can't add their name to the winners list that includes many past local, state & national greats.

Sunday sees the running of the 11th Minara Resources Leonora Golden Wheels Classic; a race that continues to build it's own unique history in tandem with the Leonora Golden Gift.

As in recent years, 2022 has also presented many challenges to the community & clubs such as ours in terms of organising & delivering major events. I would like to acknowledge the hard work & contributions of the EGCC Committee, our event manager EventMatrix and our many wonderful event partners, who together have helped to navigate the past year and deliver this year's edition of Cyclclassic.

Finally, I would like to acknowledge & thank all of our valuable 2022 sponsors & local supporters who continue to make this historic event possible.

Good luck to all the competitors & participants over the course of the weekend - ride safe & have fun!

Regards

Renny Leo

President - Eastern Goldfields Cycle Club

TESTIMONIALS

GREG DWYER

Menzies Shire President

The Shire of Menzies and its community are looking forward to the historic 93rd Anniversary of the Chas Egan Memorial - St Barbara Menzies Classic Cycle race. The opportunity to host Day One of the Goldfields Cyclclassic provides the biggest event on the Menzies Shire Sport calendar and a fantastic opportunity to showcase our wonderful region and attractions in collaboration with the City of Kalgoorlie-Boulder and the Shire of Leonora. We welcome riders, support crews and spectators to our region and invite you all to "Take a Look Around".

JOHN BOWLER

Mayor, City of Kalgoorlie-Boulder

The Goldfields Cyclclassic has gone from strength to strength as an event, and the pairing of this elite cycling event with the Leonora Golden Gift weekend was a commendable decision by the organisers of both events. The weekend is a true stand-out event which has many positive benefits for tourism in Kalgoorlie-Boulder and the Goldfields, and is one of my favourite weekends of the year.

PETER CRAIG

Leonora Shire President

The partnership between the Goldfields Cyclclassic and the Leonora Golden Gift has provided greater diversity to our athletics carnival program, which is well received by our visitors and spectators. With elite Olympic-level runners featured at the Leonora Golden Gift, the addition of high calibre cyclists has increased the dynamic of the carnival, providing a great opportunity to witness firsthand the athleticism and skill of competitors. The Shire of Leonora is most pleased to welcome again the Goldfields Cyclclassic to share in our long weekend celebrations and athletic endeavours.

BILL HAYES

Race Director

Megan and I, as the Directors of EventMatrix, are very excited to be involved in assisting the Eastern Goldfields Cycle Club with the management of this iconic event. Now in its 93rd edition, I was happy to recently discover that my grandfather finished 3rd in 1930 and 1932. We hope that our team at EventMatrix can fill the big shoes left by Deb Miles and Wayno and we thank them for their years of commitment to the Goldfields Cyclclassic. We will do all we can help the club deliver another safe and enjoyable weekend for all.
